KWC EVE DELIVERS PRECISION AND QUALITY TO NEW AREAS

NORCROSS, Ga. (May 2007) – The KWC EVE now brings sophistication and elegance to the bath or bar in a smaller package. Its shortened size and wide range of motion make cleaning up after entertaining a simple task.

The KWC EVE measures only 13 ¼ inches x 8 1/8 inches. At the push of a concealed button, the powerful and long-lasting ring light integrates with KWC EVE's Neoperl® pull-out spray from the slender pull-down spout. It can be used with or without the light beam illumination and is offered in solid stainless steel or chrome finish. The side lever can be installed on the right or left depending on personal preference.
