## **KWC EVE DELIVERS VITAL LIFE ELEMENTS** **The Latest from KWC AMERICA Incorporates Water and Light**

**NORCROSS, Ga. (April 2008)** – KWC AMERICA has combined beauty, technology and function to create the **KWC EVE** faucet. The exceptional stream of water and illuminated LED light band provides an outstanding work environment in the kitchen.

**KWC EVE's** simple and sophisticated stream of water and illuminated LED light band create a valuable work environment for the ultimate kitchen. At the push of a concealed button, the powerful and long-lasting ring light, integrates beautifully with **KWC EVE's** Neoperl® pull-out spray from the slender swivel spout. The faucet is available in either a kitchen sink size, 16 1/2" counter to top of faucet x 8 7/8" spout to faucet or in a smaller version for the bar or a bathroom vanity, 13 1/4" x 8 1/8".

Always easy to clean, **KWC EVE** can be used with or without the light beam illuminated and is offered in chrome finish or stainless steel. The single side-lever faucet is perfect to be used as a bar or sink faucet. The faucet is also available without the integrated light. **KWC EVE** is truly an innovative piece for any gourmand.

Known for technology and modernization, KWC AMERICA has been awarded the International Design Award, Red Dot, and the 2006 Hospitality Design Product of the Year for the **KWC EVE**.
